ABOUT

Hello, I'm Joshua Bergman. I'm a **frontend developer** from Eagan, MN. I strive to create minimal, intuitive, and simple applications, both in code and in design. I spend most of my time in React.js and Typescript, although I'm confident working with Node.js, Express.js, MongoDB, & python. Please see my [Portfolio]() to learn more.

SKILLS

Skills I'm best at:

React.js | Typescript | HTML | CSS | Jest | React Hooks | Node.js | Express.js | MongoDB | Javascript | Git | Redux

Things I've used before:

EcmaScript | Firebase | Heroku | AWS | Batch Scripting | Mock Service Worker | Windows | UNIX | Linux | Python

General:

SCRUM | AGILE | Frontend | Backend | Fullstack | Database | Automation | REST | GraphQL | Responsive Web Design

PROJECTS

My Developer Portfolio ([Source Code]())   [joshuabergman.dev]()

Tech: `React, TypeScript, Jest`

My experience goes far beyond what can fit on this resume, please view my portfolio to see more projects, experience, and information. Entirely designed and created by me.

Quick Budget Tool ([Frontend Code]()) ([Backend Code]())   [quickbudgettool.com]()

Tech: `MERN, Typescript`

QuickBudgetTool.com is a tool that allows you to quickly create, analyze, and adjust your budget. The tool strives when being used to evaluate how your cash flows on a month-to-month basis.

Mike's Frame Service ([Source Code]())   [mikesframe-25201.web.app]()

Tech: `React`

Company site for Mike's Frame Service, a local frame shop. While the quality is not up to my current standards this project showcases my ability to show up, meet deadlines, and deliver a satisfactory product, even while being under-experienced for the task at hand. (Domain change pending owner)

Algo Example ([Source Code]())   [algoexample.com]()

Tech: `React, TypeScript, Collaborative`

Algo Example is an educational resource for algorithms. The site allows users to visualize, interact with, and even play games designed around teaching algorithms. While collaboratively made, I lead the direction, execution, and deployment of this app.

EXPERIENCE

Closing Expert - Target   Eagan, MN *Sep 2019 - June 2021*

- Routinely received top performer awards & other awards in recognition of hard work and excellence in customer service.
- Lead small teams to timely & efficiently carry out store projects.
